Your organising team from the Gold Coast MG Car Club is looking forward to hosting you all in Yamba in October.

We have a few finishing touches to the event to finalise, but you can rest assured that your stay in far northern NSW will be superb. A registration form is now available and can be downloaded from the Pre-War MG website.

Please note, that all accommodation bookings are to be made directly with the resort via their website or by phoning (02) 6646 8600. Book now to avoid disappointment, although there are a lot of accommodation options in Yamba, barely one minute away by fast MG.

In a break with tradition this is going to be a slightly longer format weekend, with festivities kicking off on Friday night and finishing up with the Presentation Dinner on the following Monday evening. This will leave us with plenty of time to enjoy our fabulous Pre War MGs on the byways and laneways of the fabulous Lower Clarence region. There will also be time to kick back and enjoy the fabulous facilities of the Angourie Rainforest Resort and Spa.
