

Pre-War MG Register of Australia

Three Peaks Tour 2026

Sunday 8 November to Saturday 14 November

Mt Buller – Mt Hotham – Mt Buffalo

The Pre-War M.G. mob plan to head for the hills for a week of relaxed touring through some more of Victoria's fabulous high country. This year we plan to stop at each location for a couple of nights so that we are not moving accommodation each night and give participants a day off from driving their car should they prefer to be a passenger for someone else. The route will be spectacular and the distances moderate, with approximately 250km per day planned. There will be a variety of good country pubs, bakeries and breweries to keep us sustained on our journey.

Tour Start: 10am Sunday 8-November at Yarra Junction

Tour Finish: Afternoon Saturday 14-November in Yarra Glen (or similar)

Jennie Jackson has secured block reservations, some at discounted rates, for us at each night's accommodation. There is no entry fee for the tour and *it is the responsibility of each person to confirm their individual accommodation bookings and give their credit card number in advance to each motel, mentioning "Jennie Jackson" MGCC Pre-War MG Register*. We recommend that the accommodation is booked soon to ensure your place.

A tour book will be provided which will include the intended route for the day along with interesting points of interest. A gpx file will also be provided prior to departure for you to upload to your navigational device. There will be a backup vehicle following with yellow tandem trailer should any cars fail to proceed and require carting to the evening's stop over.

Accommodation is reserved under "*Jennifer Jackson*" at each place. Please book directly with the motels and request the discount price.
